INTERNATIONAL

**2.38%**

NEXT DAY/OVERNIGHT

**6.57%**

BUY ONLINE/PICKUP IN STORE

**2.15%**

## UP PAYMENTS RISK MANAGEMENT SOLUTION CNP FRAUD PREDICTIONS

Fraudsters will continue to attempt

**eCOMMERCE  
CHANNEL FRAUD**

due to the shift to more secure  
EMV chip cards (effective October 1),  
which will tighten controls on

**CARD PRESENT TRANSACTIONS.**

**BUY ONLINE/  
PICK UP IN STORE**

fraud will increase more than

**25%**

**THIS HOLIDAY SEASON**

as retailers do not always require consumers  
to re-run cards in store.
